Garden Section Holds District Workshop

Marina District 18, C.F.W.C. held a workshop and conservation meeting recently, at the Torrance Woman's Clubhouse, 1422 Engracia Ave., with Mrs. John W. Thuss, district chairman and president of the Club, presiding. Chairmen and garden club members from twenty-two clubs in the district were represented.

Mrs. Thuss instructed her chairmen, in the proper procedure for the coming year and after reading a planned program report from the El Segundo Club chairman, urged all others to get their reports in to her as soon as possible. She also gave many helpful hints on how to win some of the State awards, complimenting the clubs that had won last year.

She particularly stressed the importance of all chairmen attending workshops and district meetings rather than sending substitutes.

She suggested members try for the beautification and press book awards and said that this year for the first time, one would be given in garden therapy.

She asked all present to keep Nov. 30 free so that they might attend the Marina District meeting in El Segundo at the club house there, when they would hear Mrs. C. E. Mitchell, State
